--	--

PRE-FINISHED STEEL Choose from 3 finishes

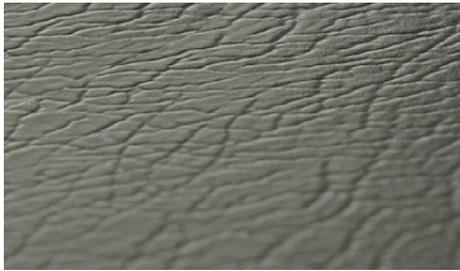

HPS200 ULTRA® PLASTIC COATED

is a factory applied 200µm (micron) PVC coating applied to a fully galvanised steel substrate resulting in the most reliable and highest quality finish available. Manufactured in the UK, exclusively by Tata Steel (formerly Corus).

BENEFITS

- Twice the colour retention of standard plastisol
- High cut-edge performance
- Maintenance & inspection free
- UK manufactured for a lower carbon footprint
- Fully galvanised substrate

LEATHERGRAIN PLASTIC COATED (PLASTISOL)

is a factory applied 200µm (micron) PVC coating applied to a fully galvanised steel substrate resulting in an exceptionally durable, high gloss, attractive finish.

BENEFITS

- High abrasion resistance
- Attractive leathergrain embossing
- High gloss finish
- Full range of colour options
- Fully galvanised substrate

POLYESTER PAINTED is a factory applied 2-part paint coating applied to a fully galvanised substrate offering a fully functional yet highly cost effective finish.

BENEFITS

- Cost effective
- Easily over-paintable
- Fully galvanised substrate

COATING LIFE EXPECTANCY

Pre-finished steel

HPS200 Ultra® plastic coated

HPS200 Ultra® is covered by Tata's Confidex® Guarantee and covers cut-edge corrosion for the entirety of the Confidex® Guarantee period of up to 40 years*. There is no requirement for any inspections or maintenance during the guarantee period. Registration directly with Tata is required. For further details, refer to the Tata website.

**depending on chosen colour and building location.*

Colour	Inland		Coastal ⁽¹⁾	
	ROOF	WALL	ROOF	WALL
H1	40	40	30	30
H2	30	40	25	30
H3	20	40	20	30

Leathergrain plastic coated (plastisol)

Leathergrain Plastic Coated finish, if provided with regular maintenance⁽²⁾, may last for 30-40 years (or more) depending on the building location and the roof orientation, pitch and chosen colour. Expected life to first full repainting is determined as follows:

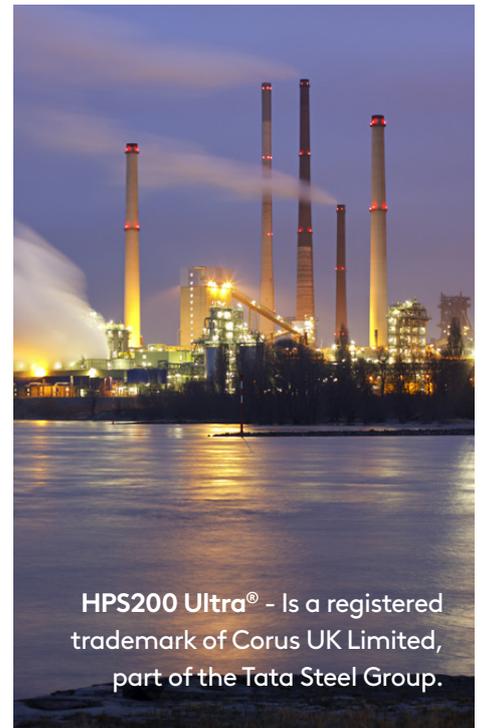

Colour	Inland		Coastal ⁽¹⁾	
	ROOF	WALL	ROOF	WALL
L1	25	30	20	25
L2	20	25	15	20

Polyester painted PY

Polyester Painted finish does not carry any form of warranty but is expected to have a minimum service life of 15 years before repainting required.

(1) Coastal location is a property located within 1km of a coastline or shoreline.

(2) Annual inspection & maintenance to be conducted and proper records must be kept.

HPS200 Ultra® - Is a registered trademark of Corus UK Limited, part of the Tata Steel Group.

Environmental conditions

In all cases the life expectancy of all finishes will be reduced by the local environmental conditions it may be exposed to (for example, corrosive factory emissions or deposits from oil-fired equipment in the vicinity).
